

\$25 Central Cooling System

Tune-up Rebate

Fill out this form completely. Incomplete forms will not be processed.

Kandiyohi Power Cooperative members are eligible for a \$25 rebate when an A/C contractor performs a Tune-up on your central A/C or air source heat pump.

Rebate Qualifications

Rebates available for residential central air conditioner or air source heat pumps that have not been professionally tuned up for at least two years.

Limit of one rebate per member account.

Tune-up coupon and copy of paid invoice must be received by 9/1/10.

Tune-up checklist - All items must be checked to qualify for the rebate.

- Clean condenser coil
- Check indoor furnace filter
- Blow out drain lines
- Check coolant level
- Check belt & lube motor, if needed
- Perform visual inspection of cooling system
- Check coolant pressure
- Test all controls
- Review proper system operation with member
