IN CASE OF A POWER OUTAGE:

- **Make sure the problem is not on your side (Members may be billed for service calls if the problem is caused by their own equipment).**
- **Check your own fuses and circuit breakers in your home and by the meter pole (Call us for help, if necessary).**
- **Check with your neighbors to see if their power is off and if they have reported the outage.**
- **If the trouble is not on your wiring, please call (800) 551-4951 for 24-hour service. Please report any tree branches in lines, twisted wires, broken poles and if your neighbors are also out of power.**
